PROGRAMING FOR ADULTS

Our Pets & The Pet Food Industry

The Animal Cancer Foundation estimates that nearly 6 million pets are diagnosed with cancer every year. With the growing concern of cancer diagnosis in our pets, what can you do to prevent it? The Northern Tier Library will be hosting a special program on the Pet Food Industry on Tuesday, Sept. 17, 7:00 - 9:00 p.m. Learn how the food you feed your pet can protect them and help them heal. This program will be presented by Dr. Cynthia Maro, holistic veterinarian, and Lyn Manns, animal communicator. This is a free event, registration is required.

Brig Niagara

USS Niagara, more commonly known as Brig Niagara, served as the relief flagship for Oliver Hazard Perry in the Battle of Lake Erie during the War of 1812. The ship was constructed to protect the Lake Erie coastline from the British and played a pivotal role in the battle for the lake. Brig Niagara was sunk for preservation purposes in 1820, then raised in 1913 for the centennial of the Battle of Lake Erie.

Join Edd Hale, a volunteer crew member on the Brig Niagara, at the library on Thursday, September 19 at 7:00 PM. He will talk about how the Niagara helped win the War of 1812, and how it is now used as Pennsylvania's Flag Ship based out of Erie. Registration is required for this program.
