

# At-the-Door Household Hazardous Waste & Electronic Waste Collection for Richland Township

## WHAT IS HHW?

Household Hazardous Waste (HHW) is leftover household products that contain corrosive, toxic, ignitable, or reactive ingredients that require careful disposal.

What are the benefits of proper HHW recycling and disposal?

- ✓ Conserves resources and energy that would be expended in the production of more products
- ✓ Reuse of HHW products saves money and reduces the need for generating hazardous substances
- ✓ Prevents pollution that could endanger human health and the environment

So before you toss it, consider the following:

- Latex paint is not hazardous waste. Consider donating it to community groups or organizations for re-use!
- Many automotive stations, auto parts stores and supply stores will accept used motor oil for recycling.
- Automotive batteries may be exchanged at the place of purchase, or turned in at some battery retailers and scrap yards.

## REQUEST A KIT

**\*NOTE:** Pick-ups must be requested no later than 10 business days before a scheduled collection.

- Please have your address ready and the types and quantities of materials you want picked up.
- You will be scheduled for the first available appointment.

Within 7 days of pick-up, we will send you a kit with instructions and a bag for you to secure all the materials. Bags should not exceed 50 lbs. There is a 2-bag limit per collection event.

Our Customer Service Representatives will answer any questions about proper disposal for unacceptable materials or quantities larger than 5 gallons.

## ACCEPTABLE MATERIALS

**All containers must be less than 5 gallons, must not be leaking, and must be properly labeled and secured in the packaging from the kit.**

- Consumer electronics (computer/monitor, keyboard, other peripherals, printers, televisions)
- Automotive Products (batteries, fluids, motor oil, polishes, waxes, used oil filters and oily rags)
- Garden Chemicals
- Paint (latex, oil-based, stripper, thinners, artists' paint)
- Household Cleaners (bleach, cleaning compounds, floor stripper, drain cleaner, tile remover & cleaners, rust remover, wood preservatives, non-commercial corrosive chemicals, lye)
- Flammable & Combustible Materials (gasoline and diesel fuel, solvents, certain cleaners/waxes)
- Swimming Pool Chemicals
- Mercury-Containing Devices (thermostats, thermometers, switches, other devices)
- Miscellaneous Household (hobby glue, driveway sealer, other poisonous/flammable/combustible materials, batteries, household fluorescent tubes and CFLs)

## UNACCEPTABLE ITEMS:

Materials Improperly Packaged, Biological Wastes, Construction Materials, Radioactive Materials (including smoke detectors), Unknown/Unlabeled Materials, Pressurized Cylinders, Ammunition, Explosives, Leaking Containers, Containers Over 5 Gallons, Commercial Products, All Medications, Empty Containers, Asbestos, Tires, Fire Extinguishers, Liquid Mercury, Appliances, Damaged TVs/Monitors, Business Supplies from Home, Trash, including bulky items
