Wednesday, May 19, 2021 - June 23, 2021

Ages 7 - 9

5:00 - 6:00 pm

Cost: \$70.00 per kid

Equipment includes Helmet, stick, shin pads, gloves and a T-shirt. These shirt run small so I would consider ordering one size up. It is suggested that you visit a local sporting store for sizing of the shin pads and gloves. There will be no option to exchange sizes. Helmets are one size fits all and you will need to cut your child's hockey stick to fit your child's height. Expected delivery of equipment will be sometime in May.
